**Employment Experience**

04/2000 – present: Professor of Economics, University of Montreal.  
07/1997 – 03/2000: Professor of Economic Theory, University of Nottingham.  
07/1991 – 06/1997: Associate Professor of Economics, University of Waterloo.  
07/1989 – 06/1991: Visiting Assistant Professor of Economics, University of British Columbia.  
09/1987 – 05/1989: Assistant Professor of Economics, University of Karlsruhe.  
01/1986 – 07/1986: Lecturer in Economics, University of Karlsruhe.

**University Degrees**

07/1988: Ph.D. in Economics, University of Karlsruhe.  
08/1987: M.A. in Economics, University of British Columbia.  
12/1985: B.Sc. in Industrial Engineering, University of Karlsruhe.

**Sabbatical Leaves**

06/2004 – 07/2005: Bocconi University.  
01/2000 – 05/2000: Rice University.  
12/1995 – 05/1996: University of Sydney.  
06/1995 – 11/1995: University of British Columbia.

## Awards and Honors

Recipient of the 2004 *John Rae Prize*, awarded every two years by the Canadian Economic Association to recognize research excellence in the recent past.

Listed in *Who's Who in Economics, Fourth Edition*, M. Blaug and H. Vane (eds.), Edward Elgar Publishers, 2003.

## Service in Professional Organizations

Council Member, Society for Social Choice and Welfare, 2014–2019; 2006–2011; 1998–2003.

Member of the research grants adjudication committee, Social Sciences and Humanities Research Council of Canada, 2003.

## Major Research Grants Received

1. WALTER BOSSERT, LARS EHLERS, SEAN HORAN AND YVES SPRUMONT, “Foundations of resource-allocation mechanisms,” *Fonds de Recherche Société et Culture, Québec*, 2016–2020.
2. WALTER BOSSERT, LARS EHLERS, SIDARTHA GORDON, VIKRAM MANJUNATH AND YVES SPRUMONT, “Foundations of mechanisms under non-probabilistic uncertainty and effectiveness of coalitions in diverse societies,” *Fonds de Recherche Société et Culture, Québec*, 2012–2016.
3. WALTER BOSSERT, LARS EHLERS, SIDARTHA GORDON AND YVES SPRUMONT, “Foundations of resource allocation mechanisms,” *Fonds de Recherche Société et Culture, Québec*, 2008–2012.
4. WALTER BOSSERT AND KOTARO SUZUMURA, “Consistency in individual and collective choice,” *Social Sciences and Humanities Research Council of Canada*, 2008–2011.
5. WALTER BOSSERT, YVES SPRUMONT AND KOTARO SUZUMURA, “Equity and rationality in intergenerational resource-allocation problems,” *Social Sciences and Humanities Research Council of Canada*, 2004–2008.
6. WALTER BOSSERT AND YVES SPRUMONT, “Implications of theories of collective decision-making in economies with private and public goods,” *Fonds pour la Formation de Chercheurs et l'Aide à la Recherche, Québec*, 2001–2004.
7. WALTER BOSSERT, YVES SPRUMONT AND KOTARO SUZUMURA, “Individual and collective rationality,” *Social Sciences and Humanities Research Council of Canada*, 2001–2004.
8. CHARLES BLACKORBY, WALTER BOSSERT AND DAVID DONALDSON, “Altruism, discounting and number-sensitive population principles,” *Social Sciences and Humanities Research Council of Canada*, 2000–2003.

9. SALVADOR BARBERÀ AND WALTER BOSSERT, “Ranking sets of alternatives in individual and social decision-making,” *British Council/Spanish Ministry of Culture and Education Acciones Integradas*, 1999–2001.
10. CHARLES BLACKORBY, WALTER BOSSERT AND DAVID DONALDSON, “Ethical aspects of variable-population allocation problems,” *Social Sciences and Humanities Research Council of Canada*, 1995–1999.
11. CHARLES BLACKORBY, WALTER BOSSERT AND DAVID DONALDSON, “Intertemporal policy evaluation with a variable population,” *Social Sciences and Humanities Research Council of Canada*, 1992–1995.

### **Editorial Responsibilities**

Advisory editor, *Social Choice and Welfare*, since 2023.

Member of the editorial board, *Review of Income and Wealth*, since 2018.

Member of the editorial board, *Mathematical Social Sciences*, 2007–2019.

Member of the editorial board, *Social Choice and Welfare*, 1997–2019.

Member of the editorial board, *Economics and Philosophy*, 2006–2014.

### **Refereeing for Journals**

Aequationes Mathematicae; American Economic Journal: Microeconomics; American Economic Review; American Economic Review: Insights; Annals of Operations Research; Australasian Journal of Philosophy; B.E. Journal of Theoretical Economics; Canadian Journal of Economics; Econometrica; Economica; Economic Design; Economic Inquiry; Economic Journal; Economic Record; Economic Theory; Economics and Philosophy; Economics Bulletin; Economics Letters; European Journal of Political Economy; Games and Economic Behavior; International Economic Review; International Game Theory Review; International Journal of Game Theory; International Tax and Public Finance; Journal of Applied Social Sciences Studies; Journal of Economic Behavior and Organization; Journal of Economic Dynamics and Control; Journal of Economic Inequality; Journal of Economics; Journal of Economic Theory; Journal of Income Distribution; Journal of Mathematical Economics; Journal of Mathematical Psychology; Journal of Political Economy; Journal of Population Economics; Journal of Public Economics; Journal of Public Economic Theory; Journal of Theoretical Politics; Mathematical Social Sciences; Metron; Metroeconomica; Order; Philosophical Papers; Philosophical Quarterly; Politics, Philosophy and Economics; Review of Economic Studies; Review of Income and Wealth; Sankhyā; Scandinavian Journal of Economics; Social Choice and Welfare; Southern Economic Journal; Spanish Economic Review; Statistical Papers; Theoretical Economics; Theory and Decision.

### **Refereeing for Publishers**

Addison-Wesley; Cambridge University Press; Kluwer Academic Publishers; Oxford University Press; Routledge; Sage.

## Refereeing for Grant-Awarding Agencies

Economic and Social Research Council (UK); European Commission; Israel Science Foundation; National Science Foundation (USA); Natural Sciences and Engineering Research Council (Canada); Netherlands Organization for Scientific Research; Social Sciences and Humanities Research Council (Canada); UBC Hampton Fund Research Grants Program (Canada).

## Conference Organization

**2024:** Member of the Program Committee, Workshop of the Central European Program in Economic Theory, Udine, June.

**2023:** Member of the Program Committee, Workshop of the Central European Program in Economic Theory, Udine, June.

**2022:** Member of the Program Committee, Workshop of the Central European Program in Economic Theory, Udine, June.

**2019:** Member of the Program Committee, Workshop of the Central European Program in Economic Theory, Udine, June.

**2018:** Member of the Program Committee, Workshop of the Central European Program in Economic Theory, Udine, June; Member of the Program Committee, Meeting of the Society for Social Choice and Welfare, Seoul, June.

**2017:** Member of the Program Committee, Workshop of the Central European Program in Economic Theory, Udine, June.

**2016:** Member of the Program Committee, Workshop of the Central European Program in Economic Theory, Udine, June.

**2015:** Member of the Program Committee, Workshop of the Central European Program in Economic Theory, Udine, June.

**2014:** Member of the Program Committee, Workshop of the Central European Program in Economic Theory, Udine, June; Member of the Organizing Committee, CIREQ Montreal Matching Conference, Montreal, March.

**2013:** Member of the Program Committee, Workshop of the Central European Program in Economic Theory, Udine, June.

**2012:** Member of the Program Committee, Workshop of the Central European Program in Economic Theory, Udine, May/June.

**2011:** Member of the Scientific Committee, International Conference on Logic, Game Theory and Social Choice, Bucharest, July; Member of the Program Committee, Society for Economic Design Conference, Montreal, June.

**2006:** Co-Organizer, CIREQ Montreal Workshop on Intergenerational Resource Allocation, April.

**2005:** Member of the Program Committee, IEA Roundtable Meeting on Intergenerational Equity, Hakone, March.

**2004:** Member of the Program Committee, Meeting of the Society for Social Choice and Welfare, Osaka, July; Member of the Program Committee, COE/RES Symposium on Social Choice Theory, Tokyo, July.

**2001:** Member of the Scientific Committee, International Conference on the Analysis and Measurement of Freedom, Palermo, September; Co-Organizer, Canadian Economic Theory Conference, Montreal, June; Member of the Program Committee, International Conference on Logic, Game Theory and Social Choice, St. Petersburg, June.

**2000:** Member of the Program Committee, Meeting of the Society for Social Choice and Welfare, Alicante, June/July.

**1999:** Member of the Program Committee, International Conference on Logic, Game Theory and Social Choice, Tilburg, May.

**1998:** Member of the Program Committee, Meeting of the Society for Social Choice and Welfare, Vancouver, July.

### **Presentations at Conferences**

**2024:** Dialogue between Philosophy and Economics: Taking Interpersonal Comparisons of Well-being Seriously in Its Formulation and Measurement for Social Evaluation, Tokyo, February.

**2023:** Spain-Japan Meeting on Economic Theory, Tokyo, October; Workshop of the Central European Program in Economic Theory, Udine, June; Workshop on Collective Decisions: Current Trends, Granada, May.

**2022:** Incommensurability and Population-Level Bioethics, Rutgers University Center for Population-Level Bioethics, New Brunswick, NJ, May. Virtual presentation.

**2020:** Centre de Recherches Mathématiques Workshop on Voting Systems, Montreal, February.

**2019:** Conference in Honor of John Weymark, Nashville, April.

**2018:** Workshop of the Central European Program in Economic Theory, Udine, June; Meeting of the Society for Social Choice and Welfare, Seoul, June; Center of Research in Ethics Workshop on Tough Choices—Good Decisions: Reflections on the Ethical Dimensions of Decision-making, Montreal, February.

**2017:** New Scholarship on Population Ethics, Durham, NC, April; Meeting of the Philosophy, Politics and Economics Society, New Orleans, March.

**2016:** Meeting of the Society for Social Choice and Welfare, Lund, June; Workshop on Economic Insecurity: Forging an Agenda for Measurement and Analysis, New York, March.

**2015:** Workshop of the Central European Program in Economic Theory, Udine, June; IDGP 2015 Workshop on Institutions, Decisions and Governmental Practices, Barcelona, June; Princeton Workshop on Public Economics, Princeton, May.

**2014:** Workshop of the Central European Program in Economic Theory, Udine, June; Meeting of the Society for Social Choice and Welfare, Boston, June.

**2013:** Workshop of the Central European Program in Economic Theory, Udine, June.

**2012:** Urrutia Elejalde Summer School on Economics and Philosophy, San Sebastian, July; Workshop of the Central European Program in Economic Theory, Udine, June; Conference on Equality and Welfare, Kunitachi, March.

**2011:** Workshop on Choice and Rationality, London, July; Votes and Incentives: The Design of Institutions, Workshop in Celebration of Salvador Barberà's 65th Birthday, Barcelona, June; Workshop of the Central European Program in Economic Theory, Udine, June.

**2010:** Meeting of the Southern Economic Association, Atlanta, November; Condorcet Lecture, Meeting of the Society for Social Choice and Welfare, Moscow, July; Workshop of the Central European Program in Economic Theory, Udine, June.

**2009:** Logic, Game Theory, and Social Choice, Tsukuba, August; Urrutia Elejalde Summer School on Economics and Philosophy, San Sebastian, July; Workshop of the Central European Program in Economic Theory, Udine, June; Conference on Environmental and Resource Economics, Toulouse, June; New Developments in Social Choice and Welfare Theories: A Tribute to Maurice Salles, Caen, June; Workshop on Income Distribution, Milan, April.

**2008:** Workshop on Social Choice and Poverty, Siena, December; Workshop on Social Decisions, Malaga, November; International Symposium on Choice, Rationality and Intergenerational Equity, Waseda University, September; Maastricht University Jubilee Workshop on Economic Design and Collective Choices, April.

**2007:** Non-Welfaristic Welfare Economics: Capability, Choice and Rights, Riverside, October; Condorcet Lectures and Seminar on Social Choice Theory and Welfare Economics, Caen, October.

**2006:** Meeting of the Society for Social Choice and Welfare, Istanbul, July; Workshop on Intergenerational Resource Allocation, Montreal, April; International Conference on Rational Choice, Individual Rights, and Non-Welfaristic Normative Economics, Kunitachi, March.

**2005:** Polarization and Conflict Conference, Milan, December; Utilitarianism 2005 (International Society for Utilitarian Studies), Hanover, August; Workshop of the Central European Program in Economic Theory, Udine, June; Workshop on Emerging Themes in the Analysis of Inequality, Bath, June; Canadian Economic Theory Conference, Vancouver, May; IEA Roundtable Meeting on Intergenerational Equity, Hakone, March.

**2004:** Meeting of the Society for Social Choice and Welfare, Osaka, July; Workshop on Economic Decisions, Pamplona, June; Conference of the European Society for Population Economics, Bergen, June; Conference on Welfarist and Non-Welfarist Approaches to Public Economics, Gent, March.

**2003:** Workshop on Game Theory and Ethics, Evanston, November; United Nations University and World Institute for Development Economics Research Conference on Inequality, Poverty and Human Well-Being, Helsinki, May; Canadian Economic Theory Conference, Vancouver, May.

**2002:** Meeting of the Society for Social Choice and Welfare, Pasadena, July; Canadian Economic Theory Conference, Toronto, May.

**2001:** International Symposium on Intergenerational Equity, Tokyo, December; International Conference on the Analysis and Measurement of Freedom, Palermo, September; International Workshop on Intergenerational Equity, Tokyo, March.

**2000:** Meeting of the Society for Social Choice and Welfare, Alicante, June; Utilitarianism 2000 (International Society for Utilitarian Studies), Winston-Salem, March.

**1999:** British Society for the Philosophy of Science Summer Conference, Nottingham, July; Conference on Axiomatic Resource Allocation Theory, Namur, July.

**1998:** Workshop on Social Choice and Distributive Justice (Pacific Institute for the Mathematical Sciences), Vancouver, July; Meeting of the Society for Social Choice and Welfare, Vancouver, July; North American Summer Meeting of the Econometric Society, Montreal, June.

**1997:** Seminar on Individual Decisions and Social Choice, Osnabrück, August; Canadian Economic Theory Conference, Toronto, May; Utilitarianism Reconsidered (International Society for Utilitarian Studies), New Orleans, March.

**1996:** Meeting of the Society for Social Choice and Welfare, Maastricht, June; Australian Economic Theory Workshop, Bundoora, February.

**1995:** Workshop on Ethics and Economics of Liberty, Cergy-Pontoise, June; Meeting of the Canadian Public Economics Study Group, Waterloo, May.

**1994:** Meeting of the Society for Social Choice and Welfare, Rochester, July; Canadian Economic Theory Conference, Toronto, May; North American Meeting of the Econometric Society, Boston, January.

**1993:** Latin American Meeting of the Econometric Society, Tucumán, August; Canadian Economic Theory Conference, Vancouver, May.

**1992:** Buffalo/Cornell/Rochester Economic Theory Conference, Buffalo, November; Meeting of the Society for Social Choice and Welfare, Caen, June; Canadian Economic Theory Conference, Montreal, June.

**1991:** Meeting of the Canadian Economics Association, Kingston, June; Canadian Economic Theory Conference, Toronto, May.

**1990:** Meeting of the Canadian Economics Association, Victoria, June.

**1989:** Meeting of the Canadian Economics Association, Québec, June; Micromodels '89 (Czechoslovak Academy of Sciences), Liblice, March; European Winter Meeting of the Econometric Society, Visegrad, January.

**1988:** Symposium on Operations Research, Paderborn, September; European Meeting of the Econometric Society, Bologna, September.

## Research Seminars

**2023:** Universidad de Málaga, May.

**2022:** Sophia University, Tokyo, July.

**2019:** University of Oslo, November; Hitotsubashi University, Kunitachi, September; Hitotsubashi University, Kunitachi, June; Aoyama Gakuin University, Tokyo, May; Université du Luxembourg, March (invited lecture); Università degli Studi di Udine, February; Universitat Autònoma de Barcelona, February.

**2018:** Sophia University, Tokyo, June.

**2017:** Luxembourg Institute of Socio-Economic Research, December.

**2016:** University of Oregon, Eugene, April.

**2015:** University of Gent, September; Università degli Studi di Udine, June.

**2014:** Southern Methodist University, Dallas, November; Waseda University, Tokyo, September; Universitat Autònoma de Barcelona, April; University of Maastricht, April.

**2013:** University of Guelph, November; Université du Luxembourg, October; Università degli Studi di Udine, October; Universidad Pablo de Olavide, Seville, February; Universidad del País Vasco, Bilbao February; Universitat Autònoma de Barcelona, February.

**2012:** University of Maastricht, April.

**2011:** Sant'Anna School of Advanced Studies, Pisa, November.

**2009:** University of Guelph, September; Waseda University, Tokyo, August; Waseda University, Tokyo, March.

**2008:** Universidad Pablo de Olavide, Seville, December; Université Catholique de Louvain, November; University of California at Riverside, June; University of British Columbia, Vancouver, April.

**2007:** Brown University, Providence, November; University of Oslo, March.

**2006:** Università di Torino, October; University of Auckland, May; Victoria University of Wellington, May; Seoul National University, March.

**2005:** University of Oregon, Eugene, November; University of Maastricht, November; Northern Illinois University, DeKalb, September; Université de Namur, June; Università Cattolica, Milano, April; Università di Bologna, February; Université de Genève, February; Université de Caen, January.

**2004:** University of Warwick, November; University of Nottingham, November; Queen Mary University of London, November; University of Auckland, April.

**2003:** Università Bocconi, Milano, October; Osaka University, July; Hitotsubashi University, Kunitachi, July; DIW Berlin, June.

**2002:** University of Rochester, November; Hitotsubashi University, Kunitachi, October; Otaru University, October; University of Sydney, June; Università di Bari, May; Queen's University, Kingston, February.

**2001:** York University, Toronto, November; University of Québec at Montreal, September; University of British Columbia, Vancouver, August; Harvard University, Boston, April.

**2000:** Tohoku University, December; Hitotsubashi University, Kunitachi, December; Laval University, Québec City, November; State University of New York at Albany, October; University of Maastricht, June; Georgia State University, Atlanta, May; Vanderbilt University, Nashville, April; Tulane University, New Orleans, April; Southern Methodist University, Dallas, April; Rice University, Houston, January.

**1999:** Università di Bologna, October; University of Birmingham, October; Universitat Autònoma de Barcelona, May; University of Montreal, May; Maynooth University, April; Paris Ethics Seminar, April.

**1998:** University of Southampton, October; University of Manchester, May; University of Maastricht, March; Université de Caen, March; University of Exeter, January; Keele University, January.

**1997:** University of Warwick, November; University of York, November; University of Essex, November; University of Birmingham, October; University of British Columbia, Vancouver, September.

**1996:** McGill University, Montreal, October; University of Guelph, September; Australian National University, Canberra, May; University of Technology, Sydney, April; Macquarie University, Sydney, March; University of New South Wales, Sydney March; University of Melbourne, March; University of Sydney, February.

**1995:** University of British Columbia, Vancouver, November; Simon Fraser University, Vancouver, October; University of British Columbia, Vancouver, October; State University of New York at Buffalo, March; University of Rochester, March.

**1994:** University of Western Ontario, London, October; Universität Karlsruhe, May; Universität Ulm, May; University of Windsor, March.

**1993:** University of British Columbia, Vancouver, April.

**1992:** Brock University, St. Catharines, October; McMaster University, Hamilton, September; University of California at Riverside, May.

**1991:** York University, Toronto, October; University of Guelph, October; University of Waterloo, October.

**1989:** McGill University, Montreal, November; University of British Columbia, Vancouver, November; University of Waterloo, June; Tilburg University, March.

**1988:** University of British Columbia, Vancouver, April.

### Published or Forthcoming Monographs

1. WALTER BOSSERT AND KOTARO SUZUMURA, *Consistency, Choice, and Rationality*, Harvard University Press, Cambridge, MA, 2010.
2. CHARLES BLACKORBY, WALTER BOSSERT AND DAVID DONALDSON, *Population Issues in Social Choice Theory, Welfare Economics, and Ethics*, Cambridge University Press, New York, 2005.

3. WALTER BOSSERT AND FRANK STEHLING, *Theorie kollektiver Entscheidungen: Eine Einführung*, Springer, Heidelberg, 1990.
4. WALTER BOSSERT, *On some variable population size issues in welfare economics*, Athenäum, Frankfurt, 1989.

### Published or Forthcoming Research Papers

1. WALTER BOSSERT, SUSUMU CATO AND KOHEI KAMAGA, Smallest quasi-transitive extensions, *Journal of Mathematical Economics* **112** (2024), Article 102983.
2. WALTER BOSSERT AND CONCHITA D’AMBROSIO, Relative measures of economic insecurity, *Social Choice and Welfare* **62** (2024), 571–581.
3. WALTER BOSSERT, Incommensurability and consistency, *Philosophical Studies* (2023), available at <https://rdcu.be/dp9v9>.
4. SALVADOR BARBERÀ AND WALTER BOSSERT, Opinion aggregation: Borda and Condorcet revisited, *Journal of Economic Theory* **210** (2023), Article 105654.
5. SALVADOR BARBERÀ, WALTER BOSSERT AND JUAN D. MORENO-TERNERO, Wine rankings and the Borda method, *Journal of Wine Economics* **18** (2023), 122–138.
